

Bauble 1 – Thursday 30th November 2017

This pattern uses US terminology

PATTERN

Round 7 : As round 3, but INSERT BAUBLE BEFORE CLOSING ROUND WITH A SL ST.

Round 3 went like this:

Ch 2 (do not count as a st), 1 FPtr around 2 ch and FPtr at beginning of previous row, *[2 dc, ch 1, 2 dc] in next 1-ch sp, 1 FPtr around next FPtr ; repeat from * 4 times more, [2 dc, ch 1, 2 dc] in next 1-ch sp, close the round with a sl st in first FPtr.

The last few steps may be a little more difficult to work, since the bauble is now inserted. But we're almost there! Last steps tomorrow!
